

## NEW PATRIOTIC BODY IS ORGANIZED HERE

Capt. Winfield Jones Chosen  
Head of Federation of  
Veterans.

HEADQUARTERS IN D. C.

A congress of patriotism, composed of delegates from all the semi-military organizations in the United States, with permanent headquarters in Washington, was organized yesterday at a meeting here of representatives from some of the principal societies of veteran soldiers and sailors.

"Federation of Veterans" is the name selected for this new patriotic assemblage. Capt. Winfield Jones of this city was elected president. Other officers are: Vice presidents, Col. John McElroy, Washington, D. C., past senior vice commander-in-chief of the G. A. R.; Representative Thomas S. Crago of Pennsylvania, past commander-in-chief Veterans of Foreign Wars; Capt. E. P. Dunlap, Philadelphia, former adjutant general Army and Navy Union; Col. Rice W. Means, Denver, past commander-in-chief Veterans of Foreign Wars. The board of directors includes the president and vice presidents and the following members of Congress: Senator James W. Wadsworth, Jr., New York; Representative Frank L. Greene, Vermont; Representative R. L. Haswell, New York; Representative George Lund, Michigan; Representative Sam R. Solis, Tennessee. The office of secretary will be filled later, President Jones announced.

### Project Widely Indorsed.

The project for the formation of a congress of patriotism has been indorsed by resolution by practically all the patriotic organizations at their national conventions. The Federation of Veterans, in addition to being the central organization of half a dozen large and powerful veteran societies, will

act as a clearing house for information, and as a legislative and publicity bureau for all veterans in the United States. The sole requisite for eligibility to the council of the federation, it is explained, is an honorable discharge from the Army, Navy or Marine Corps. Among the objects of the Federation of Veterans, as announced at the meeting, were a propaganda for adequate national defense; a larger and more effective Army, Navy, Marine Corps and National Guard; pension for all deserving veterans and the widows and orphans of veterans and preference for veteran soldiers and sailors in the civil service.

First President Active Veteran.  
Capt. Winfield Jones, the first president of the federation, is secretary of the National Defense League and an active member of the United Spanish War Veterans, Army and Navy Union and Veterans of Foreign Wars, and a newspaper man of long standing.

He came to the National Capital after service as flag bearer in the 101st regiment in the Porto Rican campaign, war with Spain, and entered newspaper work. He managed the publicity for the European tour of the American commission on rural credits, out of which grew the passage by the last session of Congress of the rural credits act. He is serving his second term as chairman of the committee on the National Guard of the Washington Chamber of Commerce and is a member of the public order committee of the Washington Board of Trade. With Representative Julius Kahn of California and Senator Robert F. Broussard of Louisiana he organized the National Defense League. Mr. Jones has served in various National Guard organizations, rising to the rank of captain of field artillery.

### MAY ANSWER VISCONT GREY.

German Show Interest in Speech of British Foreign Minister.

BERLIN, October 25, by wireless to Sayville, N. Y.—General opinion in Berlin is that the recent speech of Viscount Grey, the British foreign secretary, will make little impression in Germany, "where the public will immediately discover its historical errors," says an Overseas News Agency statement today. "Since, however," adds the news agency, "Viscount Grey addressed his speech not to Germany but to neutrals and England's allies, it is expected in some quarters that Chancellor von Bethmann-Hollweg will deal in the Reichstag with the British foreign secretary's misrepresentations of facts."
